

### MPA Seeking Award Winners

At the MPA we are updating the records. Part of the job is getting the lists of previous award winners up to date and as accurate as possible. Toward that end, if you were the recipient of an MPA Award – Innovative Rph, Young RPh,-- in the recent or even the not-so-recent past please send Lori Morin an email. We're also trying to update the list of past MSHP award winners and presidents. You can email Lori at the following:
